Archbishop welcomes Prime Minister's support for palliative care Archbishop Sherrington said: "It is highly significant that the Prime Minister has confirmed his position about the need for proper palliative and social care ahead of the Second Reading of the fundamentally flawed *Terminally Ill Adults (End of Life) Bill* in September. People who are dying are vulnerable and need compassionate care and spiritual accompaniment until their last breath." The Archbishop urges parishioners to contact their MP. If you would like to know more or see what happens at these sessions let Deacon Dan know or the office. This sacrament can really make a difference in the faith journey of parents and their children and if you want to be a part of that, please join us.
